

ALRIGHT FUCK YOU PERCY
DONT HARASS GORE/FROST CAUSE WE CHILL

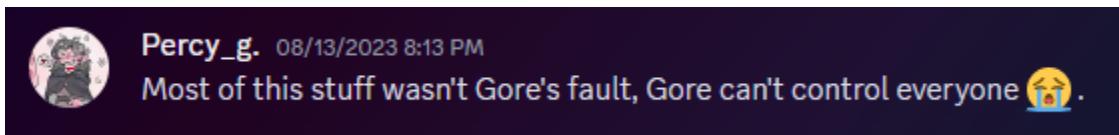

Me and Percy had previous beef that happened after I was telling people they were fake. Cause they were. Percy got mad, started meat riding gore, and made a doc on me just to be petty. They made the excuse that it was to protect people from me. Bitch you just petty af.

[DOC explaining our backstory in more detail](#)

Love how percy hates on our sense of humor yet, they made jokes like this

I love how Percy can also try to shift the blame from people saying they cant control people yet percy gets mad at me cause I cant control my friends

When it's Percy's friend, they automatically get a free pass for have harassed people.

When I told them I was going to ask Geuse to clarify things, they replied with these comments. But later said the kissing ass comment wasn't meant to be serious. But I did take it seriously at the time.

Killerr_Queennn 08/13/2023 8:49 PM

Imma ask

Percy_g. 08/13/2023 8:49 PM

Dude they literally framed Gore, and said in the comments too on how it was Gore, there is no way that they didn't mean it with some malice-

Killerr_Queennn 08/13/2023 8:52 PM

Hmmmm I will have to ask geuse about it cause I'm like really confused rn

Percy_g. 08/13/2023 8:52 PM

Blehgh whatever >:T

Killerr_Queennn 08/13/2023 8:52 PM

I'm sorry I just want to hear what geuse has to say 😭

Percy_g. 08/13/2023 8:53 PM

Listen, I know that you like to kiss Geuse's ass 😭 Have fun with that

lmao

Percy_g. Listen, I know that you like to kiss Geuse's ass 😭 Have fun with that

Killerr_Queennn 08/13/2023 9:26 PM

Btw this was kinda uncalled for, I know you might be frustrated with me but I'm just trying to hear both sides before making a judgement. I'm not trying to be rude and I apologize if I come off as rude.

Percy_g. 08/13/2023 9:29 PM

I'm not trying to be mean, but I quite literally haven't slept and I'm sitting in a math class and personally cat drama isn't my concern rn. Lemme give you your answer, I won't actively support you if you do get cancelled, but I won't actively go against you either. It depends on if you do something that may hurt people.

Killerr_Queennn 08/13/2023 9:30 PM

Alright alright, I understand. I apologize if I'm adding anymore to stress to you rn. I'll stop talking about it.

Percy_g. 08/13/2023 9:31 PM

Nah, you may aswell keep talking bout it, it's not doing harm, just annoying for me as we see things differently.

When I did say it was uncalled for, percy's response was that they were just tired and not trying to be mean. I tried to calm things down but percy was still a bit cold.

Killerr_Queennn 08/13/2023 9:34 PM

Yeah i understand, I know some of the things geuse does are immature and wrong. Petty too

Percy_g. 08/13/2023 9:35 PM

That's why I don't support him. Personally, most-- if not all of you, are fucking drama queens

I decided to just chill for the greater good.

Killerr_Queennn 08/13/2023 9:35 PM

Because he's not a bad person

I don't support everything he does btw

I just have his back, if he goes too far tho then I ain't gonna defend that stuff

⌚ @Killerr_Queennn I don't support everything he does btw

Percy_g. 08/13/2023 9:37 PM

I don't believe that. You allow alot, it seems. I know you allow racism in your server and all that. I don't even know if you have a limit. And I'm not willing to really stick around and find out.

Here, I express that I dont support everything geuse does. Percy doesnt agree then accuses me of allowing racism in my server.

Killerr_Queennn 08/13/2023 9:38 PM

But honestly, I think some of the stuff he does (even tho they petty af, immature, and wrong) is deserved. That is my personal belief.

Sometimes, people just have to learn the hard way. Even if it gets you nowhere and causes more drama.

⌚ Percy_g. I don't believe that. You allow alot, it seems. I know you allow racism in

Killerr_Queennn 08/13/2023 9:38 PM

Wait what

Percy_g. 08/13/2023 9:38 PM

Gore isn't the only one with eyes in places, even if I've never entered your server.

Bro acting like he cool

Killerr_Queennn 08/13/2023 9:39 PM

I let people say what they want, I know people have a dark sense of humor which some can consider racist

I just want it to be like geuses server

I want people to be able to say what they want without having to worry about getting banned

Obviously

If someone were being actually racist or a actual pedo/zoo

They'd get kicked

But I just allow all kinds of joking

I know corpse personally

They aren't racist

Percy_g. 08/13/2023 9:41 PM

There's a fine line of that, though. Using slurs is still derogatory even if you can take them back. It doesn't matter who you are. You can still be Racist even if you're black. (edited)

Killerr_Queennn 08/13/2023 9:41 PM

Yeah I understand that, but the intent behind words is what matters

Then I defended Toastie, stating I didnt believe they were racist for jokingly using racial slurs. As someone who acts extremely homophobic, I dont really think acting racist as a joke is much different. As long as you aint actually racist it's fine, in my opinion.

Killerr_Queennn 08/13/2023 9:43 PM

If you're saying that stuff to actually hurt people then it ain't ok at all and that is racist/homophobic/transphobic/all the phobics
But if you're saying it just to say it or joke it's not as bad, still bad yes I agree but not as bad.

I don't like to see things as black and white cause there's grey. I personally don't like using any slurs like the n word and stuff cause I think it's weird. I'm only jokingly homophobic cause I'm gay

Well bi

And it's just a way I joke, even if it's messed up

Percy_g. <https://docs.google.com/presentation/d/1FRoQ3xZqNJXBYOT5->

Killerr_Queennn 08/13/2023 9:44 PM

Yeah I already know about that, I was in the server so I saw and corpse told me about it

@Killerr_Queennn I'm sorry I just want to hear what geuse has to say

Percy_g. 08/13/2023 9:45 PM

Well, now you can see Gore's side, as I know you enjoy seeing two sides of stories.

I felt that last comment was a little passive aggressive

Moving on, after this conversation Percy decided they wanted to make a google doc about me. They also claimed that minors were commissioned for NSFW requests which to my knowledge wasn't true. People originally did have access to nsfw channel, it wasn't age restricted. But it was privated, so only people who got the reaction role could see it. A majority of the time nsfw wasn't even sent in the channel, people just used them as a joke. I didn't really care as long as it wasn't getting weird. I didn't really pay much attention to everything either.

The channels rn are currently age restricted.

Percy also did not want that screen shot shared because they knew there were holes in their story.

Hello everyone! I am here to spread a pretty hectic announcement.

But I want to warn you all when interacting with Killer_Queenn and their mutuals.

I was sent evidence today that Killer and co allows NSFW in their server, (without age restriction, even minors send NSFW; even get commissioned for NSFW images) and therefore, we decided to make this warning.

We, as people who all were friends and interacted with them, wanted to warn people of what was happening. Proof will be kept private as we may take more action in future. For now we just decided to warn people on what was happening.

Please do not send this around.

Killer has blocked me currently, and unless they talk to me directly, I am not in contact with them, and therefore, cannot get in touch. If anyone requests proof, we will share if needed; however, in PM/DM's is the best place to go. We know who is mutuals with Killer, too. Evidence will not be disclosed with those whom is in the server with Killer.

This is also to protect the minors in the server. They may not know that they are doing anything wrong; or they are actively aware. Either way, we want to protect said minors. Thank you!

Percy then made this announcement and basically kicked everyone who knew me, even if they didn't support me. Even though some were friend with Percy. Percy decides they're making a doc on me then complains about how the whole situation was stressing them out as if they didn't start it in the first place.

The Mighty SWWIGGLE!!!! Today at 9:49 PM

Okay, small update, I'm gonna be creating a google doc with all the evidence. However; I am going to be kicking people involved with Killer. I know of their loyalties; and therefore, I don't want people like that in the server. Apologies to you all, but this drama is taking a pretty big toll. One of my mods went on break because of how much Killer is allowing.

ASTRO :3 Today at 9:53 PM
ddid u fr kic k me???

s.o.z Today at 9:54 PM
mhm, you're in Killer's server referring to Emma's screenshots, sorry. I know you're one of the minors in there, but I'm gon' be protecting everyone this way.

ASTRO :3 Today at 9:55 PM
i dont even mention killer tho??
and just to let u know the nsfw role isn't immediately given to everyone, its a reaction role so its not exactly their fault the minors r there so idk
nice being in ur server tho
had fun the few times i talked

s.o.z Today at 9:57 PM
I know, but the channel should be age restricted,
anyways, I got class

ASTRO :3 Today at 9:57 PM
alr

s.o.z Today at 9:57 PM
bye Astro, nice knowing ya, have fun ;3

Now the day Percy made the doc, I was being mentioned A LOT. I originally planned on not responding but you know how that ended. I also made this

announcement

Homophobic Catboy 08/17/2023 9:00 PM

@here

Percy, Gore, Zeph, Jade, Emma, and whoever is involved. Go touch some grass.

Y'all accuse me of being racist, then when I ask for proof you stop responding. Not to mention, xeiliou called me a cracker. Idc what you call me. But y'all shouldn't act like saints.

Also, you were the ones to start this drama. Now you're getting butt hurt because omg "the consequences of my actions!" Grow up. You call me immature, which I am a bit immature I can admit that. But you guys are immature as well.

Making jokes about "crucifying" someone isn't a death threat either. Y'all don't even know what a death threat is. 😭😭😭

Don't start shit with me then act like I was the one to start it. Don't harass me then act like I'm the one harassing you.

Also, you can't be arrested for knowing someone's name. You can only be arrested for "doxxing" if you use the information with ill intent.

Stay mad 🦇

I will also add, I did not discourage any harassment towards anyone which isn't right of me. I'm aware. I only discouraged harassment towards gore since we made a truce.

Then me and percy made a “compromise” which was basically them taking down the docs cause they were scared my friend would dox them.

⌚ @Killerr_Queennn I'm not encouraging anyone to go after you guys, just so you

Percy 08/20/2023 11:06 PM

You refuse to moderate, however. Even if it isn't encouraging it, you are actively allowing it.

Killerr_Queennn 08/20/2023 11:06 PM

My friend said he'd be satisfied if the doc was taken down

That's what he told gore too

My friends are telling me how they're done with this and they're discussing things with one another

I'm not involved and already discouraged it

⌚ Percy If you can't gaurantee the fact that I won't be safe even after I take the d

Percy 08/20/2023 11:08 PM

The difference between being able to control people is the fact that the harassment is coming from your Discord server. I cannot control people who I don't moderate, because they are not in my Discord server.

Killerr_Queennn 08/20/2023 11:11 PM

Well Percy, I don't know what to tell you. This is what i was told yesterday

Bloxinz Yesterday at 7:06 PM

i told gore to let them know
to remove the doc and anything

Percy 08/20/2023 11:13 PM

I will take down the document, and in return, you discourage any harassment from your end. Even if it means that you actually moderate it. The only thing I really want is for you to restrict that damn NSFW channel, and stop the harassment/hate-speech coming toward me & co. I especially want Cheezer to be dealt with as they have a specific dislike for me due to a personal argument we had. I had every right to drop them, and yet they say it was my fault for not forgiving them. I have every right to not forgive them.

If there is anymore harassment, I will upload the document again with its very own "harassment" section.

That is my compromise.

Killerr_Queennn 08/20/2023 11:14 PM

Alright, I can work with that. I'll age restrict the nsfw channel

I originally planned on age restricting the channels anyways, I just needed to go on my computer to do it. Used it for negotiation though.

Percy 08/20/2023 11:15 PM

And discourage harassment. If we are under that agreement, I also want to ask one more thing.

Tell Geuse to remove their community post. They don't listen to me.

Killerr_Queennn 08/20/2023 11:16 PM

Alright, when I see the doc and everything down I'll move on with the steps. I already sent your compromise to my friend so that should satisfy him. The channel will also be age restricted rn

 **Percy** If there is anymore harassment, I will upload the document again with it

Percy 08/20/2023 11:17 PM

Very well. If I see anything else, keep this in mind.

Killerr_Queennn 08/20/2023 11:17 PM

I will, don't worry

Percy 08/20/2023 11:18 PM

The only issue I have was that I did not create the internet archive link, however, I will remove it from any community posts/comments.

Killerr_Queennn 08/20/2023 11:19 PM

Okay, I would like if you told lonely to take down the stuff

Well the links

Idc if they keep up the community post

Percy 08/20/2023 11:19 PM

I am not in contact. But the document is no longer available anyways. I deleted all text and simply replaced it with "situation was cleared up."

Killerr_Queennn 08/20/2023 11:21 PM

Thanks, I will be working on everything and informing everyone

Percy 08/20/2023 11:21 PM

All links have been removed from my community.

So if we are in mutual agreement now, we no longer need to be in touch, yes?

Killerr_Queennn 08/20/2023 11:23 PM

Yes, good luck with whatever you plan on doing.

I thought it ended fine But I was wrong. This bitch made a whole ass twitter thread

SWWIGGLE!! 2 weeks ago

Hi. In recent events, something that I didn't even think I was going to talk about, I am talking about again on Twitter: <https://twitter.com/swwiggle/status/1...> .

In light of this recent situation I opted to provide context in my perspective and to debunk the responses and what not as I felt like I was being dragged through the mud over this situation that I believe we agreed that should have stayed where it was. I allegedly harassed someone despite me only creating the document. I felt silenced, I feel silenced. They threatened me with doxxing if I did not take my document down, and therefore I made this as my hopeful, final response to everything. I cannot believe I have to speak about this again but my name is being absolutely thrown around despite us coming to an agreement a month or two ago. :// I do not want to be reached out to. I do not want to be silenced either. I have every right to post what I like and I should not have my name dragged through the mud by hypocrites whom only spread hurt. Thank you for reading. More information will be on my Twitter post, and that is all I am going to state. Reminder: DNI if you want to cause me issues. I am creating this statement to feel comfort over the situation and I do not want to be spoken down to.

In the Warriors Community, I was affiliated with Geuseyjuice, Killerr_Queennn, and other figures. I do understand that I was in the wrong to support them/help them, and I assure you that I am changing for the better. I am getting help, support, and everything else.

You can read the thread here

<https://x.com/swwiggle/status/1717702393419407389?s=20>

But basically they were throwing shade and acting like a victim. Then trying to act righteous for “warning” people about me.

Then I saw their posts about my Friend Cromazone, I **saw them** I wasn’t told about them. Croma never even asked for my help either.

SWWIGGLE!! shared 6 days ago (edited)

Edit: Due to the lack of communication and then Cromazone calling their friends on me instead of them trying to talk to me, I'm just changing this. Still absolutely bonkers tho. ://

SWWIGGLE!! 1 month ago (edited)

Starting off quickly, with a small call-out post.

Cromazone/Crow ([@Cromazone](#)) is a small Warrior Cats YouTuber whom has been animating for a year. They have connections with people like Killerr_Queennn, and Geuse.

They have been using ExtinctionGoreStudios, (who I'll be referring to as "Frost"; As that is her preferred name!) To stay inside of servers and projects.

Because Frost had accepted a friend request from Crow initially, due to the drama that was going on with Killerr_Queennn. The only thing that Frost received was harassment and threats. In no way were these two actually "friends".

Crow is very much two-faced. They've been using Frost to remain in server's and to hide that they support who they support.

Cromazone supports: Draikinator, LockAndKeyHyena, Geuse, Killerr_Queennn and her other supporters.

(EDIT: Cromazone does NOT support LockAndKeyHyena. It was my mistake as I was researching. Though it doesn't change much, I still wanted to add that!)

(ANOTHER EDIT: Cromazone does support him. They comment on his videos in a positive manner. Huge screw you for lying to me.)

Draikinator sent NSFW to a minor.

Geuse created feral porn, sexually harassed people, raided servers, doxxed people.

LockAndKeyHyena is lesphobic.

Killerr_Queennn raids servers and much more.

I do have more evidence, but I won't go into too much detail right now due to things happening. Frost has a surgery coming up and this is NOT OKAY. Frost could die in the surgery if she stresses too much. Cromazone is very much two-faced. They use their "friendship" with Frost to stay in servers and projects, but they are NOT friends. Frost is not friends with Cromazone, or anyone else. Yes, they may be on eachother's list on Discord; But that does not mean that they're actively friends. Frost has many connections and what not.

Don't let Cromazone lie to you. They are two-faced. Please be warned!

Note; We have educated Cromazone on Draikinator. I have sent a link that contains most evidence against them. I'm not sure where they stand now, but since I haven't seen any change, I decided to put it here.

Moonbeanie Today at 10:03 AM

Ummm, hhhiiii there! Are you... Uh, aware of Cromazone having a friend who supports... Geuse? I heard you and Croma are friends... And, well- It just,,, really concerned me you might not be aware of that! I personally have to keep Croma away from my server since there has been some weird spying happening in my server before. It is scary... But I want to stay safe.

Extinction Gore Studios Today at 10:05 AM

We are not friends wtf

They're throwing shade and accusing croma of supporting weird people because they liked their content.

So I made a community post on them. The previous one said something like "@SWWIGGLE Fuck you" but I think it got deleted

Killerr_Queennn 4 days ago (edited)

Stop harassing @Cromazone and get a life @SWWIGGLE

Liking art doesn't mean you support the artist, you should know this. Just because croma expressed interest in an artist's artwork does not mean they support them. Now stop harassing them.

Edit: Also, please provide proof of Croma using Frost's name to stay in a MAP a server.

Small reminder that Killerr_Queennn defended a racist by stating "she just says bad slurs, she isn't actual racist." Racial slurs are racist. You are both white. I'm white. I'm younger than you both, yet I understand that. (Killerr Is Catboy Luffy. It was her nickname.)

@Cromazone I'd consider it so considering I'm being harassed/sexually harassed by Ayla and her friends :/. Honestly not happy with you at all for even supporting that in the first place but now because you've thrown me into a bad spot for calling you out. You tell Croma that you'll only stop harassing them if we leave them alone. My questions are,

Why are you going after croma instead of me?

Why do you refuse to leave croma alone?

Why do you try to convince people that im racist?

Why are you trying to act like your harassment is justifiable?

Why are you encouraging harassment?

So my friend damian has been making community posts which you can find

Of-course Killerr_Queennn is invalidating me being sexually harassed. I'm allegedly an unreliable source despite me already explaining my side. Fuck you. Especially since it's one of your friends. You have responded to their posts too. [@catboy_luffy](#) .

Killerr_Queennn 8 minutes ago

People seem to be under the impression that croma encouraged me to go after @SWWIGGLE which is false.

I was chilling one night with Damian and decided to check Percy's channel and scrolled down to see they made a damn twitter thread on me. At the moment, I decided I wouldn't be quiet towards percy anymore. Then I scrolled up and saw them posting about Croma. Croma never reached out to me or asked me for help for any of this. Percy has some random screenshot of croma talking about lock, but I never even saw the comment that's why it wasn't hearted or liked. I did this all on my own, croma was not involved.

Also nobody was ever sexually harassing you, so stop acting like you went through something so awful.

Stop villainizing random people Percy just because you faced a little backlash. Croma is not the villain you paint them out to be. Let's also not forget you admitting to calling me racist just to piss me off which makes you an even more unreliable source.

Percy's proof when croma "asked me for help" and "called their dogs on them"

Notice how it isn't even hearted? It's because I didnt see it since I didnt have reply pings turned on. If you look at all my other posts you see I usually heart everything people say, that's how I show them I read it.
Croma currently doesn't use discord so we can only talk through youtube comments.

They had temporarily unblocked me just so they could mention me and try to bait me. I didnt wanna argue at that moment cause I was tired and high. After they realize this, they block me again and encourage harassment on me. Bro, how you gonna get mad at me for harassing you when you been harassing me then encourage people to harass me.

They obviously weren't gonna respond so I just blocked her again. But thank you for all the support. Put her on full blast or whatever, since she actively defends her friend sending me sexual harassment.

Of-course Killerr_Queennn is invalidating me being sexually harassed. I'm allegedly an unreliable source despite me already explaining my side. Fuck you. Especially since it's one of your friends. You have responded to their posts too. @catboy_luffy .

People seem to be under the impression that croma encouraged me to go after @SWWIGGLE which is false.

I was chilling one night with Damian and decided to check Percy's channel and scrolled down to see they made a damn twitter thread on me. At the moment, I decided I wouldn't be quiet towards percy anymore. Then I scrolled up and saw them posting about Croma. Croma never reached out to me or asked me for help for any of this. Percy has some random screenshot of croma talking about lock, but I never even saw the comment that's why it wasn't hearted or liked. I did this all on my own, croma was not involved.

Also nobody was ever sexually harassing you, so stop acting like you went through something so awful.
